A Working Atlas of Apparel Production

This concise presentation maps Eliveera's six non-combat production divisions, from team uniforms and cycling apparel to heavyweight French terry. Full live specifications and interactive 3D customization remain at your fingertips, so your team can review construction, color, and garment details when decisions are ready. Every style in this issue is visually unique and ready for custom Pantone, GSM, and private-label branding.

✓ 2-MIN LIVE FLOOR VIDEO

A Broker, Not a Factory

Verify Eliveera at 143-C, Small Industrial Estate, Sialkot, then request an unannounced two-minute WhatsApp walkthrough from cutting through AQL 2.5 packing.

✓ 30–50 PCS PILOT

Cash Tied in Untested Stock

Discuss a 30–50-piece founder pilot, with the same archived CAD pattern, Pantone shade reference, and AQL 2.5 discipline used for replenishment.

✓ ARCHIVED PATTERN & SHADE

Reorders That Change Shape

Specify GSM, locked Pantone references, and EU ISO 8559 or US ASTM D6240 size grading; retain the approved CAD pattern for repeat orders.

D01	**Multi-Sport Sublimated Uniforms** · 3,485 Styles Soccer, basketball, baseball, American/flag football, volleyball, rugby, hockey, cricket & academy match kits.	**140–185 GSM Wicking Micro-Mesh & Interlock**
